

Hartford IMC Club Monthly Meeting and FAASafety Team Seminar

Planning for a special guest speaker who will discuss Instrument flying with the Regional airlines, or we will discuss/debate another instrument flying scenario. The IMC Club provides organized "hangar flying" focused on building proficiency in instrument flying believing that safety and proficiency are developed through education and experience. Our Monthly meetings use real world scenarios to engage our members. You do NOT have to be instrument rated to attend. Following the presentation we will conclude with the question; "What would you Do?". Click the link below and register TODAY!

Directions: Take Main St. CT-70 or Hanover St. to Evansville Ave.
